

Personalized Pledging

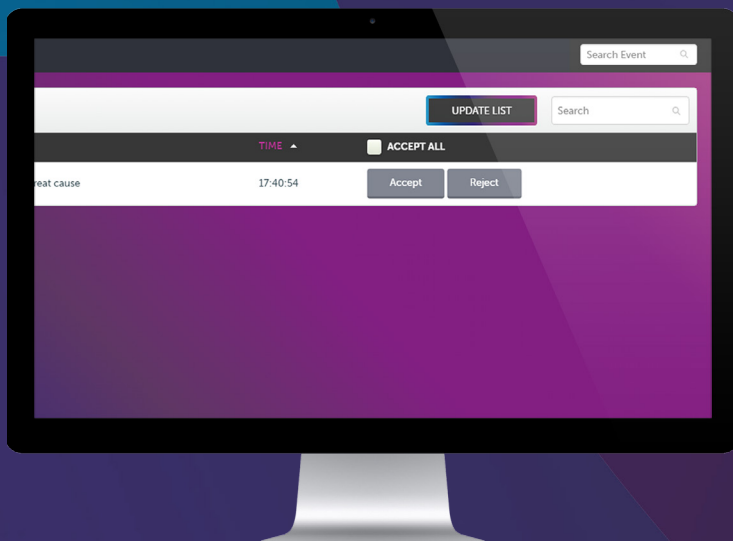

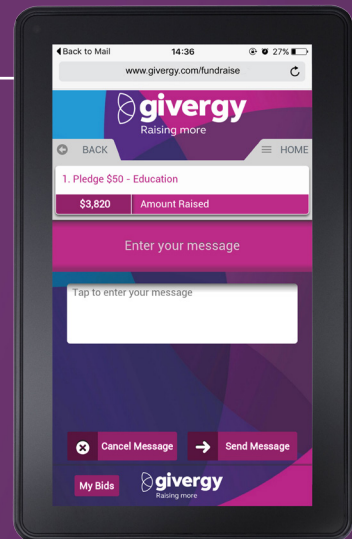

1. Personal message

Guests can choose if they want to write a message with their pledge.

2. Write a message

Guests write their message and tap 'Send'.

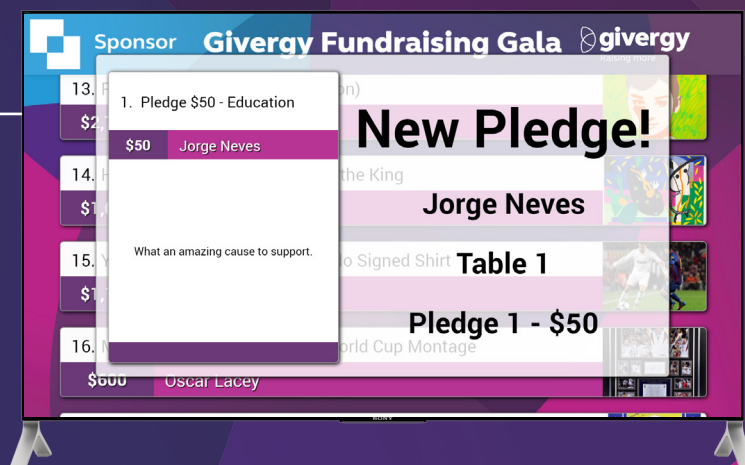

3. Messages are checked and approved

All messages are stored on the Event Management System so they can be checked and approved by Givergy staff.

4. The message is broadcast

Once approved, the pledge pop-up will appear on screens with the guest's message.
