

WHY GIVERGY?

In a crowded marketplace, we hope this document helps explain why Givergy are recognised as the leading provider of fundraising technology across Europe, and remain the exclusive provider to the likes of Marie Curie, Cancer Research UK, The Prince's Trust and GOSH. Ultimately, it's about more than just technology; it's about a desire to understand the goals and objectives of each and every client to ensure we're delivering the best service – and results – that we possibly can.

UNRIVALLED EXPERIENCE

Supporting over 2,000 fundraisers across Europe, North America, Asia and Australasia each year, our mission is to provide you with the tools and insight needed to ensure you smash your targets.

WORLD-LEADING TECHNOLOGY

There was nothing quite like our product when we launched it, because we invented it! Over the years, we've continued to develop our fundraising platform to ensure it offers more features, more functionality, and more flexibility than anything else in the market. At every turn, you'll discover more ways in which Givergy provide the ultimate giving platform for your organisation.

UNMATCHED RELIABILITY

Any tech product is only as good as the team behind it, which is why we have an army of technical wizards dedicated to ensuring the Givergy platform can withstand whatever you throw at it. Unlike other platforms, our system is designed from the ground up to offer unmatched stability, meaning it's always there for you when you need it most.

100% SECURE PAYMENT PROCESSING

Smashing your targets counts for nothing if your funds aren't collected in swiftly and securely. With Givergy, every penny is ringfenced in a Stripe Connect account, giving you 100% peace of mind and reassurance. Incredibly, this is not an industry standard, and we advise that you interrogate any prospective supplier on exactly how your funds are collected and stored.

...AND A PASSION FOR SUCCESS!

If you succeed, we've succeeded, and it's as simple as that. Everything we do - from the way we design our platform, to the advice and guidance our fundraising specialists provide, to the professionalism of our event staff - is all with a view to ensuring you look back on your fundraiser as something which was more successful than you could ever have dreamed.

“ We would highly recommend Givergy to everybody and we really wouldn't want to run a fundraiser without them anymore, because they've helped us raise so much money for the patients and the hospital.

Event Manager, Great Ormond St Hospital Children's Charity

“ We've been working with Givergy for over 7 years as our fundraising technology provider. It's great to be able to use them as a one stop-shop for guests to get their tickets, make donations and take part in auctions and raffles.
